Campos de cargas en movimiento

1.1 Potenciales retardados

Usando el gauge de Lorentz y las ecuaciones de Maxwell se llega a

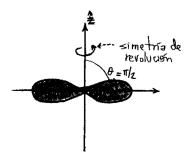

Figura 1.1

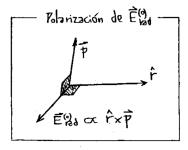

Figura 1.2

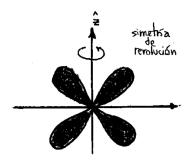

Figura 1.3

- 1.2 Ejemplo de antena
- 1.3 Campos de una partícula cargada en movimiento
- 1.4 Campo de una carga en movimiento
- 1.5 Cálculo de potencia irradiada
- 1.6 Frenado magnético
- 1.6.1 Esponja electromagnética
